Live chat!

Pick a discussion starter. You have all month, so just one will do. Run out? Make some up that fit the theme of the month!
(Oh! And turn off those devices! Live chat means just talking.)

- What are you really good at?
- What is the person to your right really good at?
- What are you good at that comes easy to you?
- What are you good at that took lots of hard work?
- If you could instantly be amazing at something, what would you choose?
- How could you use your gifts or talents to bring others to God?

GOOFY Game

Name of the Game: The Money Slide!

Needed: Just some coins and an empty table!

How to Play: Find a few coins and clear the table completely! Take turns flicking or sliding a coin across the table toward another family member and seeing how close you can get it to the edge. Score this way: within the length of a spoon, 1 point; within the length of a thumb, 2 points; within the length of a quarter, 3 points; slightly off the edge, 5 points; if it falls off the table, zero points. This will take some talent!

Gifts

Monthly Motto:

only you can be you!

Think about It

There is only ONE you in the entire world. Maybe you have heard it said, “When God made you, he broke the mold.” That means He didn’t need two people like you. He made each and every person different and for a reason. God has a grand plan for the world, and you are a part of it! Each of us has gifts and talents that are custom made so we can accomplish our purpose in life. It’s been said, “Your talent is God’s gift to you. What you do with it is your gift back to God.” Some talents are really obvious. Others are like secret super powers – they can take time to discover and master – but all of them are important and unique to us. If we don’t use our gifts, we’re like a super hero who never helps anyone. Don’t miss an opportunity to use your gifts and talents to make a difference in the world.

Double DaRE ya!

The family challenge!

Are you up for the challenge? Determine as a family what the reward will be if you complete the challenge!

YOUR CHALLENGE: Families are like a collection of heroes working together. Whether it’s the Avengers, the Justice League, or Scooby-doo and the Gang, a team of talented people can do even more than any hero can by themselves. Give your family a team name, design a logo, and then decide what you can do as a family to be heroes right in the community where you live!

As a family, memorize the Victory Verse this month. As often as you can, encourage each other to use their gifts cheerfully!

Diggin’ Deeper...

Here are some super Bible verses you may want to dig into this month as you explore what gifts are and how to use them!

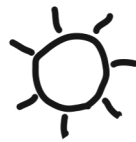

- Romans 12:11
- Romans 12:6-8
- 1 Peter 4:10

- 1 Cor. 4:7
- 1 Samuel 12:24
- 2 Chronicles 19:9

Make it count!

In so many hero movies, before a hero became super, they needed a mentor, coach, or teacher to help them discover their gifts, master them, and then use them for good. We not only need to use our own gifts for good, but we can also be used in someone else’s life to help them become more super! Think about whether there is someone in your life you can encourage and challenge to use their gifts or talents to make a difference in the world. The one who inspires others to be a hero is the ultimate hero!
