GOOFY Game

Name of the Game: Name It and Claim It!

Needed: Slips of Paper, Pens/Pencils

What you do: Give everyone three slips of paper. On each slip, each person writes a simple noun (such as car, apple, or tree - keep them simple). Mix the slips in a pile in the center of the table. Then everyone draws three slips (If you draw one of your own, put it back and draw another.) Players take turns looking at one slip of paper and trying to get everyone else to guess the word with hand motions only. Whoever guesses the word wins that slip. They named it and claimed it! Go around the circle until all the slips have been guessed. The person who claimed the most slips wins!

Doing your BEST

Monthly Motto:

I can Do This!

Think about It

“Good Enough” is a phrase that gets said way too much! When we don’t enjoy doing something we do just enough to get by, if not a little less. Sometimes a task doesn’t seem that important. Do we really need to do a great job? In truth, it may not be that important in the overall scheme of life. But what is important is our attitude and work ethic. That is what God is looking at. God wants us to do our best. Why? Because when we do our best in little things, He knows He can trust us with bigger things! God is watching to see if we are a faithful worker and if we are, He will entrust us with things of greater and greater importance as time goes on. It may be mowing the lawn or washing dishes right now – but in the future the perseverance we practiced there will be needed for much more important tasks that will have a great impact on the world! So, make those lawn lines straight and those dishes sparkle!

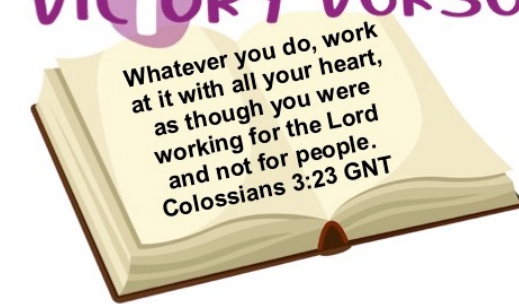

Double DaRE ya!

The family challenge!

Are you up for the challenge? Determine as a family what the reward will be if you complete the challenge!

YOUR CHALLENGE: Procrastination! Why do today what can be put off until tomorrow? There is probably a project around the house that has been put off for a while. It’s daunting. Overwhelming. It’ll be hard work. Why do it this month when you can do it next month? (Or the month after?) I dare you to do it THIS MONTH! As a family, choose a project you’ve been putting off and decide to finally get it done. But also plan a reward to celebrate when you get it completed so you’ll have something to look forward to. You can do it! Roll up your sleeves and give it your all! You’ve got this!

VICTORY VERSE

As a family, memorize the Victory Verse this month. Make it your goal this month to work extra hard to do your best no matter what you are doing. The Victory Verse this month gives the secret to how to step up your effort!

Diggin’ DEEPER...

Here are some super Bible verses you may want to dig into this month as you explore why it’s important to do our best at whatever we do! God isn’t looking for wimps, He rewards hard workers!

- 1 Corinthians 15:58
- Proverbs 12:14
- 1 Thessalonians 4:11-12
- Philippians 2:5-7
- Romans 12:6-8
- Acts 20:24

Make it count!

Here’s an idea! “Whistle while you work!” Perhaps you’ve heard this classic tune or even whistled it yourself. The principle behind it is that you can make hard work easier if you find a way to make the work fun. If there is a task you don’t enjoy, think of a way to make it more fun or enjoyable. Maybe listen to music while you work at it. Time yourself so you’ll work faster and promise yourself a reward if you finish in a timely manner. Hard work is a part of life, but we can make even the toughest job more enjoyable when we put some effort into making it as enjoyable as possible. Sometimes it’s a matter of choosing the right time of day to tackle it or inviting a friend to join us so we aren’t working alone. Discover what motivates and encourages you and even the hardest job can become more enjoyable. Nothing beats the satisfaction of a job well done, and when you do your best, you’ll feel even better!
